

*Faster. Smarter. Greener.*

A powerful non-caustic alkaline concrete floor cleaner, which will biodegrade. Ground in dirt, grease, oil and grime don't stand a chance with this heavy duty cleaner formulated to tackle the toughest industrial cleaning task. Effective at high dilution ratios, it's an economical yet effective solution for concrete floors in industrial settings.

Chemicals

# KIXX

## Heavy-Duty Powdered Concrete Floor Cleaner

Use KIXX to clean dirt, grease, oils and other contaminants from floors in industrial settings such as railways, mines, maintenance shops, rebuild shops, transportation companies and any other areas where heavy duty soil is present on floors.

### **Faster Cleaner**

Quickly soaks down into grease, oil, and dirt. Even hard-to-get, embedded soil is dissolved, loosened, suspended & floats to surface ready to be rinsed away.

### **Smarter Cleaner**

We believe that smarter cleaning means not having to make a trade off between eco-friendliness and performance. The fact is, KIXX is as strong as it is safe.

### **Greener Cleaner**

A non-caustic, biodegradable cleaner, without the use of harmful chemicals. Specially formulated to minimize the burden on human health and the environment.
